

Hurricane Preparedness

Hurricane Checklist

Before

- Sign up for local alerts and warnings
- Have an evacuation route planned
- Stock emergency supplies:
 - Flashlights (one per person)
 - Non-perishable food items
 - Money (small bills)
 - Prescription medications
 - Water (fill up tubs, pitchers for drinking)
- Place important documents in a safe place
- Prepare a “go bag” in case you need to evacuate
- Take a video of your house and contents (this will help if you need to make a claim later)

During

- Follow the storm updates via radio or app
- Evacuate if advised by local authorities
- Stay away from windows
- Move to higher ground in cases of flooding

After

- Be careful when emerging from home/shelter
- Beware of live electric wires which may be down
- Watch for unsafe structures
- Never walk or drive on flooded or damaged roads
- Do not drink tap water until confirmed safe
